Dear Manager/Owner,

Thank you for your support in reading this letter and exploring an opportunity to network our businesses together. We are a nightclub that is located near 16<sup>th</sup> and Delaware. We have been serving the Indianapolis area now for over 30 years.

We are currently expanding our VIP card program and would like to give you a chance to be able to highlight your business as a card holder incentive. Patrons purchase or are rewarded a VIP card and are driven to use this card at multiple locations where they receive perks for having it.

Examples of some of the perks are:

- 3-10% off meals, or products.
- Free club entry on nites that charge cover.
- Discounts in multiple varieties.

We currently have an extensive collection of VIP card holders that almost every night of the week are looking to take their business where they are rewarded for being a VIP at Gregs Our Place.

Thank you for your support in advance.

Sincerely,

Gregs Our Place

If you would like to participate in our VIP rewards program please fill out the attached form and send to the address above. Once you become a member your business logo will be posted in our VIP section on our new website launching September 30<sup>th</sup>.
